

## ISU PROBLEM OF THE WEEK RULES

1. A new problem will be posed Monday of each week, including dead week.
2. To participate you must be an undergraduate student enrolled at Iowa State University.
3. Solutions are due by 10:00am the following Monday. Solutions can be left in the manila envelope on the Contest display, or turned in to the Math Office, 396 Carver. Include your name, email, and the date of the submission.
4. For full credit, solutions must have the correct answer and complete supporting work. If your solution has more than one page, staple the pages together.
5. Solvers of each weeks problem will be listed on the Problem of the Week board the following week.
6. Each semester, the two students who solve the most problems will be awarded a book.
