Question: On Sunday, December 8, from 2 p.m. until 4 p.m., the ISU flute choir and Flutes and More will be giving a Christmas concert at the Ames Public Library. Your task is answer these two questions:

(1) Which members of the flute family were played at the concert? (Hint: C flute is one member of the flute family.) C flute, piccolo, alto flute, and bass flute

(2) What is my role in this concert? I played as a member of Flutes and More, I played guitar with my wife, and I spoke about the arrangement I made of Gaudete. (You needed to include two of these three elements for full credit. I also made cookies, but there was no reasonable way to find this out, so it wasn’t needed for the answer.)
