

# Midwest Numerical Analysis Day

**April 24-25, 2010**

**Ames, Iowa**

## Plenary Speakers

**Zhiqiang Cai, Purdue**

**Weimin Han, U of Iowa**

**Shi Jin, UW-Madison**

The purpose of the conference is to provide a forum for researchers and practitioners at all stages of their careers, mainly from the Midwest, to exchange ideas in numerical analysis, scientific computing and related application areas.
