

**Attention: Secret Agents.**

**Several more messages have been intercepted since the first memo went out. We will need to have these decoded promptly.**

**This one was intercepted Monday. We think it may have something to do with a local airport. It seems to be a Caesar cipher with a shift of 8.**

**OZSL AK LZW EGKL VSFYWJGMK VAKWSKW**

**QGM USF YWL AF SF SAJHGJL?**

**This one was intercepted Tuesday. We think that this one may also have something to do with an airport. We've established that the code can be decoded with the Sample Code Wheel. The key word seems to be MUSIC.**

**RGRSAZUZ LSLGBYM**
