**Office Hours:**
- **In person:** in 488 Carver (unless there is a sign indicating I am elsewhere, e.g. with a student in the computer lab.
- **On line:** I will be logged onto WebCT, monitoring e-mail and the bulletin board. I will also check my ISU e-mail. Many issues can be handled by e-mail; however, if you wish to speak to me, send an e-mail with a telephone number where I can reach you during this time period. You may also suggest other times for me to call. Note: Math 150 students, please use internal WebCT e-mail. Other ISU students, please use your ISU account and write a clear subject descriptor. E-mail to LHogben@iastate.edu from commercial providers (.com and .net addresses) or unknown persons without a clear subject may be deleted by the spam filter.
